

This year, the Phoenix Walk For Wishes and the Tucson Walk For Wishes are going to include a little healthy competition between the universities that are in their respective hometowns – a Walk For Wishes Territorial Cup Challenge! We even have a special Territorial Cup we will award to the winning campus!

HOW YOU CAN HELP

Three easy steps can help you rack up the “points” to secure the Territorial Cup for your favorite campus! Plus, you will help Arizona wish kids with life-threatening medical conditions have their one true wish!

POINT BREAK DOWN

- 1 Join the team! Look for the University of Arizona team or the Arizona State University team on the correct Tucson or Phoenix Walk sites respectively and click to join – it’s easy and free!

(Each team member = 5 points)

- 2 Talk to your friends and family about your team fundraising goal!

(Each dollar raised = 2 points)

- 3 Share your Walk goals on social media. We recognize each share and/or use of one of the three hashtags shown below.
